AWARDS

Debating - National Champion

Drama - State Champion

Basketball - State Champion

Writing - TTIS Reporter of The Year

PROFESSIONAL EXPERIENCE

123Stores Inc.

An e-commerce establishment, funded by MIT, that uses proprietary technology and a data-intensive approach to sell in the US, annual revenue - \$100M

Assistant Product Manager

Apr'19 – Present

Project: Returns and Warehouse Module

- Established an **automated mail chain** for **300 brands** based on **movement tracking**: Eliminated manual customer and partner return notifications by **70%** for products worth over **\$100K/ month**.
- Setup with **UPS APIs**: Automated all damage / lost in transit notification and claims amounting to **\$14K/ month**.
- Designing a warehouse management system: Improved existing warehouse return recognition and inventory management for goods worth **\$34K/month**. Introduced **dynamic pricing** which is expected to reduce stock build-up and wastage by **31%** and save **\$11K/ month**.

Project: Feedback Module

- Feedback Analysis: Used **keyword analyzation** and **binary selection** to identify the process loopholes causing negative feedback, with an expected accuracy of **74%**.
- Create macro-reports of items / partners for analysis based on the existing feedback (**97% - Highest** for an Amazon Seller with sales over **\$200K/day**)

Project: Net Margin Module

- Financial Reports: Used **17 data-points** to create post-fulfilment reports of **5000 orders/month** for **300 brands** for the first time.

Futures First

A global organization for research and trading in commodities and derivatives.

Market Analyst

Jul'18 – Apr'19

- Designed **automated trading strategies** based on data-driven hypothesis to execute quarterly transactions of **\$20K**
- Created reports using data from Reuters and Bloomberg based on Euribor and Euroswiss variations with respect to global events.

Phazr India

A startup offering industry's broadest portfolio of production-ready and cost-effective 5G-Millimeter wave systems in the US.

Android Software Developer Intern

May'18 – Jun'18
